

Save Money on Stamps! Sign Up for ACH Today!!

What else would you rather be doing than paying your bills?

Answer: Anything!!

Pay your REA Energy electric bill automatically every month with our automated clearing house (ACH) payment method. It takes the worry out of paying your monthly bill on time by having your payment automatically withdrawn directly from your checking account.

The program is free for all eligible REA Energy members. In fact, you could save money by avoiding unnecessary postage and checking fees.

It Saves You In More Ways Than One

- Save money — Avoid late fees and buy fewer checks and postage stamps.
- Save time — You can spend your time doing the things you enjoy instead of spending time writing checks.
- It's reliable — You won't have to worry about forgetting to send in a payment, even when you're on vacation.

By completing the form below and sending a blank “Voided” check, you are authorizing REA Energy to debit your account for your monthly electric bill as indicated. We will debit your account on the bill date; if this date is a weekend or holiday, the amount will be deducted on the next business day.
