1. All accounts are due and payable on meter reading date as shown on your reading card, but the five (5) percent discount may be allowed on payments received within the **FIVE DAY PERIOD** after reading date. No discount will be allowed unless account is paid in full. If payments are received in envelopes postmarked on the **SIXTH** day following reading date, **DISCOUNT** on net bill **WILL NOT** be allowed.
2. On the **NEXT FIVE DAYS** the net bill may be charged.
3. **GROSS** amount is due after the **TENTH** day following reading date.
4. **FORTY-FIVE DAYS** (45) after reading date service **MAY BE DISCONNECTED** if bill has not been paid in full. **Delinquent notice will be included on bill.** If service is disconnected, it may not be restored until the bill and the appropriate reconnect fees are paid in full.
5. Those who come to the office to pay their bills must bring their reading cards with the current reading.
6. Residential consumers, schools, churches and halls who do not read their own meters may not be included in the self-billing discount plan.

How to Figure Your Bill

This RATE CHART is designed FOR ZERO ("0") BILLING which means you read only the first three (3) numbers on your meter if you have a four-dial meter, or you read only the first four (4) numbers if you have a five-dial meter, reading from left to right, and use the "0" already printed on your card for the last or right-hand figure. FOR EXAMPLE:

If your meter has **four dials** and reads 1237, record reading as 1230.

If your meter has **five dials** and reads 21237, record reading as 21230.

Read your meter on date shown on your reading card and mark your reading in space "(1)."

Your last reading will be shown in space "(2)."

Subtract last reading (2) from present reading (1) and show number in space "KWH USED."

Turn to rate sheet showing this number of kilowatts used, and determine the amount due as follows:

Discount amount,

if payment is made on or before the FIFTH day following the reading date.

Net amount,

if payment is made on or after the SIXTH day and including the TENTH day following the reading date.

Gross amount,

after the TENTH day or when the bill is not paid in full.

Send your payment with your reading card. It must be postmarked on or before the FIFTH day after reading date as shown on reading card, or discount will not be allowed.

Meter Readings:

All members MUST furnish accurate meter readings within 10 days of their reading date each month. A fee may be charged if it becomes necessary for the co-op to read a consumer's meter for billing purposes.

Failure to receive a meter card DOES NOT entitle consumer to discount.
